

trusscore® SlatWall™

PVC Slatwall Panels Designed to Organize Any Space

- Instant Organization
- Strong & Durable
- Easy to Clean
- Stylish Design

Clear the clutter with Trusscore SlatWall—an on-the-wall organization system that's easy to install, built to last, and seamlessly integrates with Trusscore® Wall&CeilingBoard™ to completely transform any space.

Trusscore SlatWall is designed to help you instantly organize your home, garage, office, or workspace as soon as it's installed and gives you creative freedom to turn as much—or as little—of your wall into storage space. The 8 ft. long, interlocking panels can be installed as a track, section, half wall, or a full wall.

FEATURES & SPECIFICATIONS

- Available in 8 ft. lengths
- Available in white and gray
- Panels are 6 in. wide (7.25 in. including flange)
- Installs directly to bare studs or over drywall
- Supports up to 75 lbs per square foot
- Pre-punched screw flange to allow for easy installation
- Integrates with Trusscore Wall&CeilingBoard seamlessly
- Non-proprietary design means panels are compatible with most slatwall accessories
- "Class A" fire rating (ASTM E84/ULC S102)
